1. As you are aware, the Project used the [REDACTED] as a base for conducting CHALICE coverage of [REDACTED]. From the outset the Navy, at all levels, was most cooperative and responsive to our every request. [REDACTED], our Detachment Commander in the [REDACTED] made special mention of his appreciation for the way his people were treated by the Naval Air Station personnel.

2. As a gesture of our appreciation to all Navy echelons involved, as well as the two individuals mentioned by name, I feel a note to this effect to Admiral Burke would be appropriate.

3. A suggested letter for your signature is attached.
